Ref: Government Memo.No.84366-CI/50-5 Development dated 6-12-1950.

The discrepancy in respect of three posts of subordinates of the erstwhile Sandur State is accounted for as follows:-

2. Special attention is invited to items 1, 2 and 7 of the statement showing the Forest Branch establishment of the erstwhile state submitted with Chief Conservator's Ref.No.8519/49-D1-2 dated 21-3-1950. Item 1 is the Chief Forest Officer who has retired; items 2 and 7 are vacant. Therefore there is no question of absorbing the incumbents of these posts.

3. A separate report will be submitted on the service conditions of the 9 persons absorbed as Forest Guards.

Memo to C.C.F. No.84366 CI/50-5 dt.6.12.50.
From the C.C.F. No.8519/49-D1.dt.10.1.51.

After the merger of the Sandur State with the Stat of Madras, a staff of one Ranger and other subordinate staff was sanctioned for the managements of the Forests in the merged area of Sandur. The C.C.F. was also asked to take action to absorb into Madras Service suitable and qualified persons employed in the merged Sandur State and submit a report to the Govt.

The C.C.F. has now submitted a report relating to the absorption into Madras Service of the staff in the erstwhile Sandur State. It is examined below.

Prior to the merger there were one Chief Forest Officer, one Forest Clerk, three Foresters, sixteen Forest Guards and two Thanadars on the Forest Branch establishment of the erstwhile Sandur State . Of this establishment it has been ordered that the Chief Forest Officer might be retired. The C.C.F. has now reported that as the qualifications of the Forest Clerk who was previously employed as a Forester and those of the three Foresters do not entitle them for continuance as Foresters, in the M.F.S.S., they have been retained as Forest Guards in accordance with the orders of the Govt., that out of the sixteen Forest Guards employed by the erstwhile Sandur State, five who are literates in Kannada, the local language, have been retained and that the remaining eleven who are illiterates have been absorbed as Forest Watchers. The C.C.F. has not said anything about the absorption of the two Thanadars (on a pay of Rs.5/-pm each) who were under the employ of the erstwhile Sandur State. Obviously they have been discharged as there are no posts in the M.F.S.S. corresponding to those of Thanadars.

It is not clear from the C.C.F's report whether the nine persons absorbed as Forest Guards have the qualifications prescribed in the special rules for the M.F.S.S. for the post of Forest Guard, whether these

P.T.O.

persons have been appointed permanently or temporarily how their previous service has been treated and how their seniority has been fixed. The C.C.F. has therefore, been asked to submit a report to the Govt. on these points. In his letter on p 9.c.f. he has stated that a separate report will be submitted on the service conditions of the persons absorbed as Forest Guards. The C.C.F's report may be awaited till 14.2.51.

With reference to 'M' on page 1 above, attention is invited to the letter from the C.C.F. on page 13 c.f. The C.C.F. has stated para 1, p 13 that the two Tanadars were not in service when the administration of forests in the erstwhile Sandur State were taken over by the Forest Department on 12-4-1950, that it is reported that the services of the two tanadars were terminated by the Special Officer, Sandur from February 1950 and that ~~that~~ the individuals have not ~~claimed~~ claimed reappointment in the Forest Dept. In the circumstances, no action seems called for in respect of these two tanadars. for orders.

Note of Development on pp.1-2 above may be perused. It is presumed that two tanadars employed by the Sandur Durbar were discharged from service either on account of their unsuitability for absorption or otherwise and that the principles laid down in G.O.Ms.No.855, Public (Poll), dated 26-3-1949 were ~~scrupulously~~ observed at the time of their ~~charge~~ discharge. It is also not known from the file whether the tanadars in question were awarded compensation for loss of career in view of para 1(7) of the collateral letter to the Ruler of Sandur from the Ministry of States. Development may be requested to ascertain relevant details from the Collector of Bellary and send the file again to this department in due course.

Dev.Deptt. (C.I).

This file relates to the question of absorption into Madras Govt. Service of the staff employed in the former Sandur State. The case is noted on below.

2. Prior to the merger of Sandur with the Madras State the following staff was employed in Sandur:

(1) One Chief Forest Officer

(2) One Forest Clerk

(3) Three Foresters

(4) Sixteen Forest Guards and

(5) Two Tanadars.

Consequent on the merger of Sandur with the Madras State the Govt. sanctioned the employment of one Ranger and other forest subordinate staff and the C.C.F. was asked to absorb into Madras Service suitable and qualified persons employed in the merged state and submit a report to the Govt. The C.C.F. has now submitted his report. The case of each of the several categories of staff mentioned at 'M' above is examined below.

3. Item (1) in para 2 above - Chief Forest Officer:

The Govt. have already ordered that the Chief Forest Officer employed in Sandur prior to the merger might be retired. No action is therefore called for in respect of this subordinate. For orders.

4. Item (5) in para 2 above - Tanadars.

The C.C.F. reported that the incumbants of the two posts of Tanadars were not in service when the administration of the forests in the erstwhile Sandur State was taken over by the Madras Forest Deptt. on 12-4-50, that their services were terminated by the Special Officer, Sandur from February 1950 and that they have not claimed reappointment in the Madras Forest Deptt. The Pub.(Pol) Deptt. desired to know whether the two Tanadars were discharged from service either on account of their unsuitability for absorption or otherwise, whether the principles laid down in G.O.Ms.855, Pub.(Pol) dated

dated 26-3-49 were observed at the time of their discharge and whether the two Tanadars were awarded compensation for loss of career. The C.C.F. has stated that the Collr. of Bellary was consulted in the matter, who reported that the two Tanadars were discharged from service on the afternoon of 10-3-1950 on the expiry of one month's notice, that no compensation was proposed in respect of these two persons as they were working as part time servants only and that the discharge took place even before the Forest Deptt. took over the administration of the erstwhile State forests. In the circumstances no further action seems necessary in respect of the two Tanadars. For orders.

5. Items (2), (3) and (4) in para 2 above - Forest Clerk, Foresters and Forest Guards:

The C.C.F. reported that as the qualifications of the Forest Clerk who was employed as a Forester and those of the three foresters did not entitle them for continuance in the Madras Forest Subordinate Service they were retained as Forest Guards in accordance with the orders of the Govt., that out of the sixteen Forest Guards employed by the erstwhile Sandur State, five who are literate in Kanada, the local langugage, have been retained as Forest Guards in the M.F.S.S. and that the remaining eleven persons who are illeterates were absorbed as Forest Watchers.

So far as Forest Watchers are concerned it is submitted that these posts are not borne on the regular statutory service The C.C.F. would no doubt have fixed their pay in accordance with the instructions of the Govt. on this behalf. No action is therefore called for in respect of persons absorbed as Forest Watchers. For orders.

So far as the nine persons retained as Forest Guards in the M.F.S.S. are concerned, the C.C.F. was asked to report whether any rules need be relaxed in favour of them, whether they were appointed permanently or temporarily and from what dates, how their previous service has been treated and how their seniority has been fixed. The C.C.F. has now reported that all the nine members of the erstwhile Sandur State retained as Forest Guards were permanent people, that they are being retained in the posts of Forest Guards sanctioned in G.O.Ms. No. 2039, Dev. dated 22-5-50 and that taking their previous

6

service into consideration their seniority will be fixed with reference to instructions in G.O.'s.No. 1784 Pub.(Ser) dated 31-3-50. Attention is in this connection invited to the statement on p. 2 c:f. It is observed that of the nine persons retained as Forest Guards, two (Sri M.Lakshmana Rao and Janab K.Bapu Saheb) require relaxation of rules relating to age, one (Janab Muhammad Saheb) requires relaxation of rules relating to age, educaional qualification and physique and the remaining six require relaxation of rules relating to age and physique. The service rules may therefore be relaxed to the extent necessary in favour of these nine persons so that they may be appointed in the M.F.S.S. on a regular basis. For orders.

This may be approved B 3312
